

PRIME FOR LIFE

(Drug and Alcohol Awareness Education Class)

This program is sponsored by the Loess Hills Area Education Agency to serve persons under the age of 21 who have been cited for minor in possession of alcohol or other drugs, or for possession of drug paraphernalia. *IT IS NOT FOR PERSONS WHO HAVE BEEN CITED FOR DRINKING AND DRIVING.*

The goals of this program are to:

- ❶ reduce the risk for any type of alcohol or drug problem, and
- ❷ provide self-assessment to help people understand and accept the need to make positive lifestyle changes.

The main emphasis of the program deals with alcohol problems. Though the majority of people who drink do not experience problems, high-risk drinking choices are creating serious problems for many adults and youths. Drugs and the risks associated with their use are also addressed.

The classes are held in Council Bluffs on two consecutive nights during the week from 5:00-9:00 p.m. The \$40 class fee must be paid in cash at the time of the first class.

The city prosecutor will advise you if you are a candidate for this program. If you have been approved to take this class, please contact Terri Dowell or Carol Johnson at the Loess Hills Area Education Agency by calling 366-0503 or 800-432-5804 outside the local calling area.
